I'm Jeremy Miller and it's an honor to serve the people of our district as a member of the Minnesota Senate. When I was first elected, our state was facing a \$6.2 billion budget deficit. Today we have a budget surplus of \$1.5 billion. This is the result of being fiscally responsible, investing in government reforms and focusing on policies that promote job growth and economic development. I look forward to working with you to help make southeastern Minnesota an even better place to live, work and raise a family.

I'm Jeremy Miller and it's an honor to represent the people of Fillmore, Houston and Winona Counties as a member of the Minnesota Senate. My biggest frustration at the Capitol is the extreme partisanship of party politics. My approach is different, my philosophy simple. Listen to the people and work together with colleagues on both sides of the aisle to take action and get results.

I'm Jeremy Miller and I would truly appreciate your vote on November 6 so we can continue to work together and make a difference.
