Jeremy: I'm Jeremy Miller and it's a great honor to serve the people of our district as a member of the Minnesota Senate. One of my biggest frustrations at the Capitol is the extreme partisanship of party politics. My approach is different and my philosophy is simple, listen to the people and work together to get good things done for the state of Minnesota. I look forward to continuing to work with you to help make southeastern Minnesota an even better place to live, work and raise a family.
